REGIONAL STATISTICAL YEARBOOK SOUSS MASSA 2018

PRESENTATION

Aware of the importance of statistical information at the level of the Region, prefectures and provinces for the preparation and implementation of development programs and for carrying out socio-economic studies using data reliable, the Regional Directorate of the High Commission for Planning of Agadir publishes an annual regional statistical directory.

This issue, which includes the data for the year 2018 and bears the number 43, is the fruit of the collection and processing of statistics under-produced by the various external services of the ministries at the level of the Souss-Massa region.

The Regional Directorate of Agadir shall remain at the disposal of the various providers and users of statistics to take all observations and suggestions. It also wishes to thank all those who have contributed to the production of this directory and informs users that an electronic version is available on the website of the High Commission for Planning www.hep.ma as well as on its own site www.hep.ma/region-agadir
